The Concession will be open with a lot of good food. Plan to come and support the Lady Patriots and Patriots this season.

Many of you know that we have been using Culligan water in place of our drinking fountains for several months now. This is an extra expense. We are asking that students bring a filled water bottle from home each day to help cut down on the use of the water from the Culligan dispensers. We appreciate your help by doing this.

Students participating in basketball should pack a water bottle for practice.
